

CMS HIPAA UPDATE

Moving Towards Compliance

June, 2003

Are you testing? Only four months remain until October 16, 2003! Will you be ready? CMS is here to help answer your questions. Check out our website for more information at www.cms.hhs.gov/hipaa/hipaa2. Or, call us toll-free at **866-282-0659**.

CMS Sponsors Free HIPAA Workshops for Small Providers

Workshops will focus on implementing the critical electronic transactions and code set requirements. Checklists, how to's, and a special segment on security are included as well. Reservations are on a first-come first-served basis, however they are required as space is limited. Preference will be given to those providers located in the geographic area of a workshop.
