

BlueCross BlueShield of Tennessee offers flexibility in designing a dental plan that meets your specific needs.

- With Choice Plus, members receive a higher coinsurance percentage when network dentists are used.
- Also with Choice Plans, a higher Usual and Customary Rate (UCR) schedule means employees have lower out-of-pocket costs at non-network dentists.

Regardless of which DentalBlue Plan you choose, you and your employees will always benefit from the savings generated by **the LARGEST dental PPO network** in the state of Tennessee and access to our national PPO solution, DenteMax, outside of Tennessee and contiguous counties.
