## **Prior Authorization** *Providing Peace of Mind*

Prior authorization ensures that certain health care services (such as hospital stays, outpatient services and home health care) are reviewed *before* they are performed. This helps you save money – and helps make sure you receive the right treatment in the appropriate setting.

Call the toll-free number listed on the back of your BlueCross BlueShield of Tennessee member ID card to obtain prior authorization, especially if you use an out-of-network provider or a provider outside of Tennessee.

*Gain peace of mind with prior authorization.*
