

Advanced Radiological Imaging

Effective 1/1/09, BlueCross BlueShield of Tennessee will review certain non-routine diagnostic services and the setting for such services in regards to medical appropriateness and necessity before the services are performed.

Services subject to such review include Magnetic Resonance Imaging (MRI), Magnetic Resonance Angiography (MRA), Magnetic Resonance Spectroscopy (MRS), Computerized Tomography (CT), Computerized Tomography Angiography (CTA), Positron Emission Tomography (PET) scans, and nuclear cardiac imaging studies.

Your physician should preauthorize Advanced Radiological Imaging services before you receive them. Information regarding preauthorization is located on the back of your BlueCross BlueShield of Tennessee member identification card.

If you have any questions, please contact Customer Service at 1-800-558-6213.
