

Important Information Regarding Regional Hospital of Jackson, Tennessee

The Regional Hospital of Jackson is a participating hospital in **Blue Network P** for State of Tennessee employees and their dependents enrolled in the PPO Plan with BlueCross BlueShield of Tennessee.

This exception for the Regional Hospital of Jackson as a participating Blue Network P provider **only** applies to State employees who have an identification number with an alpha prefix beginning with "STA". **(This change does not apply to identification numbers beginning with STT, STG, and STL.)**

This hospital facility will not be listed in the Blue Network P directory on www.BCBST.com since their participation does not apply to Blue Network P members covered through plans other than the State employee PPO Plan.

State employees may utilize this facility for both emergency and elective care. Benefits for medically appropriate care will be provided at 90% of the Maximum Allowable Charge (MAC)*. Emergency room services require a \$75 copayment unless the member is admitted to the hospital.

Refer to your 2010 PPO member handbook for information about any inpatient/ outpatient services that may require prior authorization. Always show your BlueCross BlueShield of Tennessee identification card when receiving services at any hospital facility.

Contact Customer Service at 1-800-558-6213 between 7AM & 4:15PM CT, Monday through Friday, if you have any questions.
