

Using the Home Delivery Retail Network

You can now purchase up to a three-month supply of most medications* at participating retail pharmacies through the expanded home delivery pharmacy network.

Simply pick up your prescription at the retail pharmacy or ask to have it mailed to you at no extra charge.

The following national chain pharmacies are part of the Home Delivery Retail Network:

- BI-LO
- CVS
- Food City
- Fred's
- Kmart
- Kroger
- Publix
- Rite-Aid
- Sam's Club
- Super D
- Walgreens
- Wal-Mart

To find out if other retail pharmacies in your area participate in this network, use the "Find a Network Pharmacy" tool at bcbst.com. Click on the "Home Delivery Retail Pharmacy" link to access the network directory.

**Your doctor will need to write your prescription for a three-month supply. Specialty pharmacy medications are limited to a one-month supply and should be purchased from a Preferred Specialty Drug vendor. Other selected medications have quantity limits. Check the Pharmacy Section of bcbst.com for the most up-to-date information.*
