

## TENNCARE BRANDED DRUGS TO BE CLASSIFIED AS GENERICS

These agents, although brand name drugs:

- count as generic agents towards prescription limits,
- carry a generic dispensing fee,
- and carry a generic co-pay.

Adderall® XR	Nexium®
Cosopt®	Pulmicort® Respules
Depakote® ER and Sprinkles	Proscar®
Famvir®	Tobradex® suspension
Imitrex® nasal spray, tablets, and injection (excludes kit)	Trileptal®
Lamictal® (excluding chewable)	Trusopt®
Lotrel®	Zegerid®

These agents, although brand name drugs carry a generic dispensing fee and co-pay. They are included in the AutoExemption list; therefore, do not count toward prescriptions limits.

Novolin R®	Lantus® vials
Novolin N®	Levemir® vials
Novolin 70/30®	Ventolin® HFA
Novolog®	Bayer® diabetic testing supplies
Novolog Mix 70/30®	Roche® diabetic testing supplies
ProAir®	

\*Please note that these agents are subject to change at any time due to availability of more cost-effective multi-source products or changes in the market place as identified by the TennCare Pharmacy Program.
