Member DOB: 99/99/9999

BPN Effective date: 99/99/99

BPN Termination date: 99/99/99

Dear DCS Case Manager:

Please accept this letter as confirmation that the member listed above has immediate eligibility in *TennCareSelect* and should access primary care through the Best Practice Network (BPN). This letter should be used in lieu of a *TennCareSelect* member ID card to access all covered benefits. The eligibility period spans 09/09/99 to 99/99/99.

If you contact the Bureau of TennCare eligibility line or verify eligibility via MediFax, the above member may not have TennCare eligibility. However, because the child is in DCS custody, we have approved temporary eligibility in *TennCareSelect*. The Bureau of TennCare will determine if permanent eligibility is applicable for this member beyond the above time frame. If the Bureau of TennCare does not approve permanent eligibility, benefits will cease on 99/99/99.

TennCareSelect will honor and reimburse covered services rendered during the immediate eligibility period, as indicated at the top of this letter. Providers should call the *TennCareSelect* Best Practice Network Unit at 1-800-451-9147 for eligibility verification or additional questions, Monday through Friday 8 a.m. to 6 p.m. EST.

Sincerely,

TennCareSelect Best Practice Network
