

Diagnosis Codes for Pregnancy and Complications of Pregnancy

This list is for informational purposes only and is not a binding or definitive list of covered conditions. It is not a guarantee of coverage; coverage depends on the available benefits and eligibility at the time services are rendered. It is for use only with the CoverKids/HealthyTNBabies program. When filing claims, providers should use the most accurate codes for the condition being treated – it is fraud against the State of Tennessee and BlueCross BlueShield of Tennessee to intentionally use a code for a covered condition when the treatment provided is for a non-covered condition.
