Requests for medical records will begin in February 2011 for some providers.

CoverTN and CoverKids Retrospective Review Audit Process

Will providers receive a notification of BCBST's findings?

Yes, providers will receive a letter explaining the review and the improper payment reason including the amount.

Describe the process if the provider does not agree?

After the audit is complete, BCBST will notify providers of the audit findings. Providers will have thirty (30) calendar days from the receipt of the letter to submit additional information and request a Reconsideration of the audit results. A Level I Reconsideration will be conducted pursuant to BCBST's Provider Dispute Resolution Procedure and providers will receive written notification of the findings.

If still dissatisfied providers will have thirty (30) calendar days to request a Level II Appeal review. BCBST will then have sixty (60) calendar days to conduct an internal review and send a written reply or notification of the status of our review.
