Before you choose a provider from the list, please confirm the network you chose is correct.

Due to current patient loads, there may be occasions when a provider is not accepting new patients; therefore, we encourage you to call the provider's office to verify that he/she is participating in your health plan network and is accepting new patients.

BlueCross BlueShield of Tennessee makes every effort to ensure this directory contains the most current and accurate information available. Thank you for choosing BlueCross BlueShield of Tennessee for your health care needs.
