

At BlueCross BlueShield of Tennessee, Inc. we remain committed to working with our providers to ensure quality service to our members. It is our intent to make resources available to our providers that will help in this endeavor.

BlueCross BlueShield of Tennessee has adopted the American Academy of Family Physicians (AAFP) Guidelines for Generalized Anxiety Disorder as our recommended Generalized Anxiety Practice Reference. BlueCross BlueShield of Tennessee attests that the text and format of these compendia have not been altered in any way, nor is this adoption to be construed as a legal or required standard of care.

With permission from the American Academy of Family Physicians Foundation, BlueCross BlueShield of Tennessee has created a direct link from our Web site to the AAFP Guidelines. We hope this will be both convenient and helpful to you in caring for your patients with Generalized Anxiety Disorder. Paper copies of the guidelines are available upon request by calling 1-800-924-7141, extension 6705.
