Memo

To: All TennCare Providers
From: Bureau of TennCare
Date: September 6, 2005
Re: Correction to the Preferred Drug List (PDL) Effective 9/1/2005

It has come to our attention that during the construction of the most recent PDL for TennCare, Vytarin® was listed as a non-preferred agent. However, Vytarin® should be listed as a preferred agent (with a quantity limit). The PDL has been updated to reflect the correct status of Vytarin®. We apologize for any inconvenience or confusion this may have caused. The updated PDL can be downloaded at the First Health / TennCare website at https://tennessee.fhsc.com/Downloads/provider/TNRx_newPDLquicklist.pdf.

Thank you for your participation in the TennCare program and your commitment to assist your patients as we implement the reforms necessary to bring program costs in line with available funding.

Please forward or copy the information in this notice to all providers who may be affected by these processing changes.
