Countdown to National Provider Identifier compliance date!

Don’t risk a cash flow disruption – obtain your National Provider Identifier (NPI) and share it with all insurance carriers.

On or after May 23, 2007, the NPI will be required on all electronic transactions, including electronic claims. Every health care provider, including practitioners, specialists, facilities and organizational providers, must obtain an NPI because you will not be able to use your old provider numbers (UPIN, Medicare/Medicaid) after that date for electronic transactions. Do you have your NPI?  ☐ Yes  ☐ No

If you do not have an NPI, learn how to apply by visiting the Centers for Medicare and Medicaid Services (CMS) Web site at www.cms.hhs.gov.

Have you submitted your NPI to BlueCross BlueShield of Tennessee?  ☐ Yes  ☐ No

If no, please complete this form and fax to:
