Premium Information

BlueCross BlueShield of Tennessee can only raise your premium if we raise the premium for all policies like yours in the state of Tennessee. Your premium rate is based on your age as of June 1 each year, and it increases annually as you move into the next age category. If you are not yet 65 but will be on your initial effective date, your premium rate will be the age 65 rate. If you are over 65 and enrolling or changing plans, your premium rate is based on your age as of June 1 on or before your initial effective date. Your rate will increase by 10% if you move outside the state of Tennessee. Other than for age or moving out of the state, BlueCross BlueShield of Tennessee will only adjust your rate if rates are adjusted for all policies like yours. Any rate adjustment will be made at the same time for all BlueElite customers who have the same coverage.
