Introduction

This booklet provides a list of BlueAdvantage's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and BlueAdvantage's formulary. If you have additional questions, please call our Member Services at 1-800-841-7434, 7 days a week, from 8 a.m. to 9 p.m. Eastern Time. TTY/TDD Users should call 1-888-423-9490. Or, visit www.bcbst-medicare.com.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by BlueAdvantage. In most cases, your prescriptions are covered under BlueAdvantage only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

BlueAdvantage's Network Pharmacies

Our pharmacies are listed alphabetically by county then city. Under each pharmacy we list the Pharmacy Type so you know what type of service each pharmacy offers. The key is as follows:

R = Retail. We have a statewide network of pharmacies where you can get covered prescription drugs as a member of our plan.

LT = Long Term Care are pharmacies that service long-term care nursing facilities. Residents of a long-term care facility may access their prescription drugs covered under **BlueAdvantage** through the facility's long-term care pharmacy or another network long-term care pharmacy.

H = Home Infusion. Pharmacies that provide infused (IV) medicine in your home per doctor's order.

E = Extended day supply. The pharmacy provides an extended day supply of medications.

IN = Indian Health Service/Tribal/Urban Health Program. Only Native Americans and Alaska Natives have access to Indian Health Service/Tribal/Urban Indian Health Program (I/T/U) Pharmacies through **BlueAdvantage's** pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g., emergencies).

24 = 24 Hours. The Pharmacy is open 24 hours a day.

S = Specialty. Pharmacies that can provide specialty prescription drugs. These medications may have special storage and handling requirements.

Note: National Specialty Pharmacies and Mail-Order Pharmacies are listed on page iii of this directory. The key is also listed at the bottom of each Pharmacy Directory page for your reference.

Network pharmacies outside the service area

We have network pharmacies outside of the service area where you can get your drugs covered as a member of our plan. To locate these pharmacies, please call Member Services at 1-800-841-7434, 8 a.m. to 9 p.m. Eastern Time, 7 days a week. TTY Users should call 1-800-423-9490. Or, visit www.bcbst-medicare.com.

Mail Order Pharmacies

If you have questions about mail order pharmacies and you are a member of BlueAdvantage please call our Member Services at 1-800-841-7434. TTY/TDD Users should call 1-888-423-9490. If you have questions about mail order pharmacies and you are a member of BlueRx please call our Member Services at 1-888-311-7508. TTY/TDD Users should call 1-800-257-3384.
