Important Information

This book lists the providers who were in Blue Network S℠ at the time the book was printed.

A provider’s status may change at any time. This list is as correct as possible at the time of printing.

To make sure a doctor or facility is in Blue Network S:

• Call us at 1-800-558-6213.

• Go to bcbst.com/members/TN_state. Log in with your username and password. Select Find Care, then click Find a Doctor. Search for your provider by specialty, name or procedure, or browse providers by category.

• Download the myBlue TN℠ app on your smartphone from the Apple® App Store or Google Play®, then enter the information from your BlueCross BlueShield of Tennessee Member ID card.

If you receive a bill from a provider for emergency services or services from an out-of-network provider that you received at an in-network hospital call customer service. Be prepared to provide a copy of the provider bill you received, and ask for a review of your claim to see if insurance can pay anything more.

Speech Pathology / Speech Therapy

Check our Web site @ bcbst.com for current listing.
At times you may need health care at night or on weekends. You might need to go to an Urgent Care Center. Urgent care is care that is important, but not life-threatening. Urgent care health problems are usually marked by rapid start of constant or unusual pain linked to an illness. If you need urgent care, call your doctor or specialist. Many doctors’ offices use an answering service after hours. When you call after normal office hours, be ready to explain your symptoms. Leave a number where the doctor can call you back.

**Urgent care situations include:**

- Hard time breathing
- Nose bleed that lasts for a long time
- Short-term high fever
- Cuts needing stitches

**Remember**

A provider’s status may change at any time. This list is as correct as possible at the time of printing.

Physicians and Health Professionals

(Listed alphabetically by county. Specialties are listed alphabetically under each county.)

For ear and throat care, see Otolaryngology. For family doctor services, see General Practice, Family Practice and Internal Medicine.

In the directory, the doctor’s area of specialty helps you pick the right doctor for you. However, we don’t endorse a doctor’s education, skill or experience in a special area of medical practice.

Network doctors have agreed to give their patients services 24 hours a day, seven days a week. If you call the office and your doctor is out, he or she will have another doctor available to care for you.

Some doctors will have “extended hours available” listed after their names. This shows whose offices are open past normal business hours. Please check with the doctor’s office for details.

Remember

A provider’s status may change at any time. This list is as correct as possible at the time of printing.

To make sure a doctor or facility is in Blue Network S:

- Call us at 1-800-558-6213.
- Go to bcbst.com/members/TN_state. Log in with your username and password. Select Find Care, then click Find a Doctor. Search for your provider by specialty, name or procedure, or browse providers by category.
- Download the myBlue TNSM app on your smartphone from the Apple® App Store or Google Play®, then enter the information from your BlueCross BlueShield of Tennessee Member ID card.

Doctors join and leave the network from time to time. Also, hospital-based doctors aren’t in this directory because of their internal non-credentialed status. Credentialing of hospital-based doctors is the duty of the facility where they practice. Be sure to check to see if the doctors and facilities are still in the network when you call the office to get care.

You have two network options for obtaining covered immunizations and vaccines:

- BlueCross BlueShield of Tennessee
- CVS Caremark

BlueCross BlueShield of Tennessee

BlueCross’ Immunizing Pharmacists network includes pharmacists certified to give shots. These pharmacists will give the shot and send us the bill for the service.

**To find an up-to-date listing of immunizing pharmacists in Blue Network S:**

- Call us at **1-800-558-6213**.
- Go to [bcbst.com/members/TN_state](http://bcbst.com/members/TN_state). Log in with your username and password. Select Find Care, then click Find a Doctor. Search for your provider by specialty, name or procedure, or browse providers by category.
- Download the myBlue TN® app on your smartphone from the Apple® App Store or Google Play®, then enter the information from your BlueCross BlueShield of Tennessee Member ID card.

CVS Caremark

Visit a participating vaccine network pharmacy and present your Caremark prescription card. A complete vaccine network pharmacy list is available once you log in at [info.caremark.com/stateoftn](http://info.caremark.com/stateoftn) (look on the right side under the heading Network Lists). Or call **1-877-522-8679** and speak to a CVS Caremark representative who can direct you to a vaccine network pharmacy. Please note, this pharmacy list is different from the 30- and 90-day networks. Not all pharmacies participate in the vaccine network.

**Remember**

You can also visit your regular doctor or convenience clinic and present your medical card. Call us at **1-800-558-6213** to find a participating doctor or clinic. There’s no copay.

Both options give you and your covered dependents covered vaccinations for free.
