Immunizing Pharmacists

Note: Use the online tool to find the pharmacy associated with any of the listed pharmacists.

You have two network options for obtaining covered immunizations and vaccines at a pharmacy:

- › BlueCross BlueShield of Tennessee
- › CVS Caremark

BlueCross BlueShield of Tennessee

BlueCross' Immunizing Pharmacists network includes pharmacists certified to give shots. These pharmacists will give the shot and send us the bill for the service.

To find an up-to-date listing of immunizing pharmacists in Network P:

- › Call us at **1-800-558-6213**.
- › Visit **bcbst.com/FindADoctor** and log in to search for providers by name, specialty or procedure. You can also browse providers by category.
- › Download the **BCBSTN** app on your smartphone from the Apple® App Store or Google Play®, then enter the information from your Member ID card.

CVS Caremark*

Visit a participating vaccine network pharmacy and present your Caremark prescription card. A complete vaccine network pharmacy list is available once you log in at **info.caremark.com/stateoftn** (scroll down the page and look under the Network Lists heading). You may also call **1-877-522-8679** and speak to a CVS Caremark representative who can direct you to a vaccine network pharmacy. Please note, this pharmacy list is different from the 30- and 90-day networks. Not all pharmacies participate in the vaccine network.

Remember

You can also visit your regular provider or convenience clinic and present your medical card. Call us at **1-800-558-6213** to find a participating provider or clinic. There's no copay.

Both options give you and your covered dependents covered vaccinations for free.

- * Pharmacy benefits are managed by CVS Caremark. Please contact CVS Caremark at **1-877-522-8679** for pharmacy-related questions and coverage information.
