## Important reminders and other information

**Check** that your doctor has prescribed the maximum days' supply allowed by your plan (not a 30-day supply), plus refills for up to 1 year, if appropriate. Also, ask your doctor or pharmacist about safe, effective, and less expensive generic drugs.

**Complete** the Health, Allergy & Medication Questionnaire.

**There may be a limit to the balance** that you can carry on your account. If this order takes you over the limit, you must include payment. Avoid delays in processing by using e-checks or a credit card. (See Section 3 for details.)

**If you are a Medicare Part B beneficiary AND have private health insurance**, check your prescription drug benefit materials to determine the best way to get Medicare Part B drugs and supplies. Or, call Member Services at 1-877-673-9165. To verify Medicare Part B prescription coverage, call Medicare at 1 800 MEDICARE (1-800-633-4227).

**Express Scripts will make all possible efforts, as appropriate by law, to substitute generic formulations of medication, unless you or your doctor specifically directs otherwise.**

Pennsylvania and Texas laws permit pharmacists to substitute a less expensive generic equivalent for a brand-name drug unless you or your doctor directs otherwise.

**Check the box if you do not wish a less expensive brand or generic drug.**

Please note that this applies only to new prescriptions and to any refills of that prescription.

**For additional information**, log in to [www.express-scripts.com](http://www.express-scripts.com) or call Member Services at 1-877-673-9165. TTY/TDD users should call 1-800-759-1089.

*Federal law prohibits the return of dispensed controlled substances.*

Place your prescription(s), this form, and your payment in an envelope. Do not use staples or paper clips.
