CoverTN is a Limited Benefit Plan and does not provide financial protection in the event of a major illness or accident.

INTRODUCTION

This Member Handbook (this “MH”) describes the Coverage through the contract between BlueCross BlueShield of Tennessee, Inc. (BCBST, or the “Plan”) and the State of Tennessee (the “State”) Department of Finance and Administration (“Contract”). The State’s Coverage is called CoverTN. This MH describes the terms and conditions of Your Coverage from the Plan through the State. It includes all riders and attachments, which are incorporated herein by reference. It replaces and supersedes any Evidence of Coverage (EOC) or MH that You have previously received from the Plan.

PLEASE READ THIS MH CAREFULLY. It describes your rights and duties as a Member. It is important to read the entire MH. Certain services are not covered by the plan. Other covered services are limited. The plan will not pay for any service not specifically listed as a Covered Service, even if a health care provider recommends or orders that non-covered service. (see Attachments A-D.)

The State has delegated discretionary authority to make any benefit or eligibility determinations to the Plan. It has also granted the authority to construe the terms of Your Coverage to the Plan. The Plan shall be deemed to have properly exercised that authority unless it abuses its discretion when making such determinations.

ANY GRIEVANCE RELATED TO YOUR COVERAGE UNDER THIS MH MUST BE RESOLVED IN ACCORDANCE WITH THE “GRIEVANCE PROCEDURE” SECTION OF THIS MH.

In order to make it easier to read and understand this MH, defined words are capitalized. Those words are defined in the “DEFINITIONS” section of this MH.

Please contact one of the Plan’s Member service representatives, at the number listed on Your membership ID card, if You have any questions when reading this MH. Our Member service representatives are also available to discuss any other matters related to Your Coverage from the Plan.

GRANDFATHER STATUS UNDER SECTION 1251 OF THE PATIENT PROTECTION AND AFFORDABLE CARE ACT

This health insurance issuer believes this coverage is a “grandfathered health plan” under the Patient Protection and Affordable Care Act (the Affordable Care Act). As permitted by the Affordable Care Act, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. Being a grandfathered health plan means that your plan may not include certain consumer protections of the Affordable Care Act that apply to other plans, for example, the requirement for the provision of preventive health services without any cost sharing. However, grandfathered health plans must comply with certain other consumer protections in the Affordable Care Act, for example, the elimination of lifetime limits on benefits.

Questions regarding which protections apply and which protections do not apply to a grandfathered health plan and what might cause a plan to change from grandfathered health plan status can be directed to the plan administrator at:
NOTICE

The Affordable Care Act prohibits health plans from applying arbitrary dollar limits for coverage for key benefits. This year, if a plan applies a dollar limit on the coverage it provides for key benefits in a year, that limit must be at least $750,000.

Your health insurance coverage, offered by CoverTN, does not meet the minimum standards required by the Affordable Care Act described above. Instead it puts an annual limit of:

- $25,000 on all Covered Services
- $500 on Home Health Care Services
- $500 on Durable Medical Equipment, Prosthetics and Supplies
- $5,000 on Hospice Care
- $10,000 on inpatient medical and behavioral health services

And a quarterly limit of:

- $250 on prescription drugs (generic)

In order to apply the lower limits described above, The State, on behalf of your health plan, requested a waiver of the requirement that coverage for key benefits be at least $750,000 this year. That waiver was granted by the U. S. Department of Health and Human Services based on your health plan’s representation that providing $750,000 in coverage for key benefits this year would result in a significant increase in your premiums or a significant decrease in your access to benefits. This waiver is valid for one year.
If the lower limits are a concern, there may be other options for health care coverage available to you and your family members. For more information, go to: www.HealthCare.gov.

WHAT IS A PPO PLAN?

BlueCross BlueShield of Tennessee’s Preferred Provider Organization (PPO) gives You a choice of doctors, hospitals and other health care providers. We have contracted with a network of health care institutions and professionals. These Providers, called Network Providers, agree to special pricing arrangements.

Your Plan provides benefits only when You use Network Providers. If You receive services from an Out-of-Network Provider, no benefits will be paid. After You have reached your Annual Benefit Limit, You will only be responsible for charges that do not exceed the Maximum Allowable Charge for services received from Network Providers. You are responsible for all charges from an Out-of-Network Provider. Attachment C: Schedule of Benefits, show Your benefits for services received from Network Providers. Attachment C also will show You that the same service might be paid differently depending on where You receive the service.

YOUR MEMBERSHIP IDENTIFICATION CARD

Once Your Coverage becomes effective, You will receive a membership identification (ID) card. The membership ID card is the key to receiving the benefits of the health plan. Carry it at all times.

Please be sure to show the membership ID card each time You receive medical services, especially whenever a Provider recommends hospitalization.

Our Member service number is on Your membership ID card. This is an important phone number. Call this number if You have any questions. Also, call this number if You are receiving hospital services from Providers outside of Tennessee to make sure all Prior Authorization procedures have been followed.

If a membership ID card is lost or stolen, call the toll-free number listed on the front page of this MH. Our Member service department will help You get a new one. You may want to record Your identification number in this book.

Important: membership ID cards should be presented at each visit to a physician’s office, hospital, pharmacy or other health care facility.

Easy Guidelines for Getting the Most from Your Benefits

1. Always carry Your membership ID card and show it before receiving care.

2. Always use Network Providers, including pharmacies, durable medical equipment suppliers, skilled nursing facilities and home infusion therapy Providers. See Attachment A for an explanation of a Network Provider. Call the Member service department to verify that a Provider is a Network Provider.

3. Be sure to ask Member service if the Provider is in the specific network shown on Your membership ID card. Since BCBST has several PPO networks, a Provider may be in one BCBST network, but not in all of Our networks. Check out Our website, www.BCBST.com, for more information on Providers in each PPO network.

4. To help You understand if BCBST considers a recommended service to be Medically Necessary, please refer to Our Medical Policy Manual at www.BCBST.com.

5. Use the BlueCard PPO network when You need Covered Services outside of Tennessee. Call the toll-free number shown on the back of Your membership ID card to find a network Provider outside of Tennessee.
6. In a true Emergency it is appropriate to go to an Emergency room (see Emergency definition in the Definitions Section of this MH.) However, most conditions are not Emergencies and are best handled with a call to Your doctor’s office. You can also call Your doctor on nights and weekends where Our network physicians provide a covering health care professional to return Your call.

7. Ask that Your Provider report any Emergency admissions to BCBST within 24 hours or the next business day.

8. Your Network Provider is responsible for obtaining any required Prior Authorization.

9. Notify Our Member service department at the number listed on Your membership ID card if changes in the following occur for You or Your spouse:
   a. Name.
   b. Address.
   c. Telephone number.
   d. Employment (change companies or terminate employment).
   e. Status of any other health insurance You might have.
   f. Marriage.
   g. Death.

**Participating Employers**

Your or Your spouse’s Employer may have agreed to be a part of CoverTN. If so, the Employer will have notified the State. The Employer will also send us a Participating Employer Agreement (“PEA”). If the Employer stops being a part of CoverTN, You can keep Your Coverage. This is explained later.
RELATIONSHIP WITH NETWORK PROVIDERS

A. Independent Contractors

Network Providers are not employees, agents or representatives of the Plan. Such Providers contract with the Plan, which has agreed to pay them for rendering Covered Services to You. Network Providers are solely responsible for making all medical treatment decisions in consultation with their Member-patients. The Plan does not make medical treatment decisions under any circumstances.

The Plan has the discretionary authority to make benefit or eligibility determinations and interpret the terms of Your Coverage to the Plan (“Coverage Decisions”). It makes those Coverage Decisions based on the terms of this MH, the Contract, its participation agreements with Network Providers and applicable State or Federal laws.

The Plan’s participation agreements permit Network Providers to dispute the Plan’s Coverage decisions if they disagree with those decisions. If Your Network Provider does not dispute a Coverage decision, You may request reconsideration of that decision as explained in the grievance procedure section of this MH. The participation agreement requires Network Providers to fully and fairly explain the Plan’s Coverage decisions to You, upon request, if You decide to request that the Plan reconsider a Coverage decision.

The Plan has established various incentive arrangements to encourage Network Providers to provide Covered Services to You in an appropriate and cost effective manner. You may request information about Your Provider’s payment arrangement by contacting the Plan’s Member service department.

B. Termination of Provider’s Participation

The Plan or a Network Provider may end their relationship with each other at any time. A Network Provider may also limit the number of Members that he, she or it will accept as patients. The Plan does not promise that any specific Network Provider will be available to render services while You are Covered.

INDEPENDENT LICENSEE OF THE BLUECROSS BLUESHIELD ASSOCIATION

The Plan is an independent corporation operating under a license from the BlueCross BlueShield Association (the “Association”). That license permits the Plan to use the Association’s service marks within its assigned geographical location. The Plan is not a joint venturer, agent or representative of the Association nor any other independent licensee of the Association.
ELIGIBILITY

Eligibility requirements for participating businesses and members are determined by the State. The State’s guidelines on eligibility may be found at:

http://www.covertn.gov/web/covertn_eligible.html

If the Plan processes the Enrollment Form from the 16th through the end of the month, Coverage shall be effective on the first day of the second month after the Enrollment Form was processed.

F. **Premium Payment**

   CoverTN is part of the Cover Tennessee program. If the Employer is a Participating Employer in the program:

   1. The State pays 1/3 of the premium
   2. The Employer pays 1/3 of the premium.
   3. The Covered Employee pays 1/3 of the premium.

   If You are the Spouse, the Employer may not pay a portion of the premium.

   If the Employer is a Participating Employer and You live in one of the bordering states:

   1. The State pays no premium.
   2. Either the Employer or the Member pays the State portion in addition to their 1/3 of the Premium.
If You are an Employee who is a Tennessee resident and You leave Your Employer, but keep the CoverTN Coverage:
   1. The State pays 1/3 of the premium.
   2. You pay 2/3 of the Premium.

If You are a Tennessee resident and Your Employer stops being part of the CoverTN program, and You keep Your CoverTN Coverage:
   1. The State pays 1/3 of the premium.
   2. You pay 2/3 of the premium.

If You are an Employee of a Participating Local County Government:
   1. The County pays 2/3 of the premium.
   2. You pay 1/3 of the premium.

If the Employer is a Non-Participating Employer:
   1. The State pays 1/3 of the premium.
   2. You pay 2/3 of the premium.

If You are a Self-employed Individual:
   1. The State pays 1/3 of the premium.
   2. You pay 2/3 of the premium.

If You are a Tennessean Between Jobs:
   1. The State pays 1/3 of the premium.
   2. You pay 2/3 of the premium.

Your Premium rate changes as You reach certain ages. The change will be effective January 1\textsuperscript{st} of each year.
The State sets the premium and how much it pays. This can change. We will let You know in advance, if it changes.
TERMINATION AND CONTINUATION OF COVERAGE

A. Termination

You may request termination of Your coverage at any time. Requests for termination must be made in writing. Termination will be effective on the last day of the calendar month following the month of written notice. You may send Your written request to:

BlueCross BlueShield of Tennessee
Membership Administration CoverTN 4.2
1 Cameron Hill Circle
Chattanooga, TN 37402

If You terminate Your Coverage under this Plan, You will terminate from the CoverTN program.

The State may terminate Your coverage if:
1. The terms and conditions of the CoverTN program change;
2. The CoverTN program terminates;
3. You have made a Material Misrepresentation or committed fraud against the Plan. This includes, but is not limited to, furnishing incorrect or misleading information or permitting the improper use of the membership ID card;
4. You enroll for coverage in either Medicare or Medicaid;
5. You move out of state and do not work for a Participating Employer; or
6. You die.

The Plan may terminate Your Coverage for cause, if:
1. The Plan does not receive the required Premium for Your Coverage when it is due. The fact that You have paid a Premium contribution to the Employer will not prevent the Plan from terminating your Coverage if the Employer fails to submit the full Premium for Your coverage to the Plan when due, or
2. You fail to make a required Member Payment; or
3. You do not have sufficient funds in Your bank account to cover Your Premium on three occurrences within a rolling 12-month period.
4. You fail to comply with the Plan provisions.

Except in the case of death, You will be given a 30 day notice of the termination. Termination will be effective on the last day of the calendar month following the month of notice.

B. Reinstatement

If Your Coverage terminates, You may request that We reinstate Your Coverage. Your request must be in writing. To reinstate, You must request reinstatement within 30 days of date of your termination notice. We will notify You within 45 days of Your request if we will reinstate. If Your Coverage is reinstated, You will not have a gap in Coverage. You must pay the required Premium for the entire period Your Coverage had lapsed. We will reinstate Coverage only once within a 12-month period.

You must pay the required Premium for the entire period Your Coverage had lapsed within 30 days of being notified of Your approved reinstatement. Reinstatement will only occur once the Premium for the entire period Your Coverage lapsed has been posted to your account.

You must pay the required Premium for the entire period Your Coverage had lapsed within 30 days of being notified of Your approved reinstatement. Reinstatement will only occur once the Premium for the entire period Your Coverage lapsed has been posted to your account.

You must pay the required Premium for the entire period Your Coverage had lapsed within 30 days of being notified of Your approved reinstatement. Reinstatement will only occur once the Premium for the entire period Your Coverage lapsed has been posted to your account.
C. **Right To Request A Hearing**

You may appeal the termination of Your Coverage for cause, as explained in the Grievance Procedure section of this MH. The fact that You have appealed shall not postpone or prevent the Plan from terminating Your Coverage. If Your Coverage is reinstated as part of the Grievance Procedure, You may submit any claims for services rendered after Your Coverage was terminated to the Plan for consideration, in accordance with the ‘Claims Procedure’ section of this MH.

D. **Payment For Services Rendered After Termination of Coverage**

Services received after Coverage terminates are not Covered, even if those services are part of a series of treatments that started before Coverage terminated. If You receive Covered Services after the Coverage terminated, the Plan, the Provider who rendered those services, or the Employer, may recover any charges for such services from You, plus any costs of recovering such charges, including attorney’s fees.

E. **Continuation of Coverage**

You and Your spouse may continue Coverage if:

1. You leave employment with a Participating Employer; or
2. Your Employer stops being a part of the CoverTN program.

You will be required to pay the Employer portion of the premium in addition to the Member portion.

If Your Coverage terminates due to non-payment of premium by the Employer, You have the option to pay the Employer’s share within 60 days of notice to retain Coverage.
BLUECARD PPO PROGRAM

When You are in an area where BCBST Network Providers are not available and You need health care services or information about a BlueCross BlueShield PPO physician or hospital, just call the BlueCard PPO Doctor and Hospital Information Line at 1-800-810-BLUE (2583).

We will help You locate the nearest BlueCard PPO Participating Provider.

In the BlueCard PPO Program, the term, “Host Plan” means the BlueCross BlueShield Plan that provides access to service in the location where You need health care services.

Show your membership ID card (that has the “PPO in a suitcase” logo) to any BlueCard PPO Participating Provider. The BlueCard PPO Participating Provider can verify your membership, eligibility and Coverage with Your BlueCross BlueShield Plan. When You visit a BlueCard PPO Participating Provider, You should not have claim forms to file. After You receive services, Your claim is electronically routed to BCBST, which processes it and sends You a detailed explanation of benefits. You are responsible for any applicable Copayments, or Your Deductible and Coinsurance payments (if any).

The calculation of Your liability for claims incurred outside the BCBST service area which are processed through the BlueCard PPO program will typically be at the lower of the provider's Billed Charges or the negotiated price BCBST pays the Host Plan.

The negotiated price paid by BCBST to the Host Plan for health care services provided through the BlueCard PPO Program may represent either: (a) the actual price paid by the Host Plan on such claims; (b) an estimated price that factors into the actual price, expected settlements, withholds, any other contingent payment arrangements and non-claims transactions with all of the on-site Plan's health care Providers or one or more particular Providers; or (c) a discount from Billed Charges representing the on-site Plan's expected average savings for all of its Providers or for a specified group of Providers. The discount that reflects average savings may result in greater variation (more or less) from the actual price paid than will the estimated price.

Plans using either the estimated price or average savings factor methods may prospectively adjust the estimated or average price to correct for over- or underestimation of past prices. However, the amount You pay is considered a final price.

In addition, laws in certain states may require BlueCross and/or BlueShield Plans to use a basis for calculating Member liability for Covered Services that does not reflect the entire savings realized, or expected to be realized, on a particular claim or to add a surcharge. Thus, if You receive Covered Services in these states, Your liability for Covered Services will be calculated using these states' statutory methods.

REMEMBER: You are responsible for receiving Prior Authorization from BCBST for inpatient services received outside Tennessee.

If Prior Authorization is not received, Your benefits will be denied.

Call the toll-free number on Your membership ID card for Prior Authorization. In case of an emergency, you should seek immediate care from the closest health care provider.
CLAIMS AND PAYMENT

When You receive Covered Services, either You or the Provider must submit a claim form to the Plan. We will review the claim, and let You, or the Provider, know if We need more information, before We pay or deny the claim.

A. Claims

Federal regulations use several terms to describe a claim: pre-service claim; post-service claim; and a claim for Urgent Care.

1. A pre-service claim is any claim that requires approval of a Covered Service in advance of obtaining medical care as a condition of receipt of a Covered Service, in whole or in part.

2. A post-service claim is a claim for a Covered Service that is not a pre-service claim – the medical care has already been provided to You. Only post-service claims can be billed to the Plan, or You.

3. Urgent Care is medical care or treatment that, if delayed or denied, could seriously jeopardize: (1) the life or health of the claimant; or (2) the claimant’s ability to regain maximum function. Urgent Care is also medical care or treatment that, if delayed or denied, in the opinion of a physician with knowledge of the claimant’s medical condition, would subject the claimant to severe pain that cannot be adequately managed without the medical care or treatment. A claim for denied Urgent Care is always a pre-service claim.

B. Claims Billing

1. Until You reach Your benefit maximum, You should not be billed or charged for Covered Services rendered by Network Providers, except for required Member payments. The Network Provider will submit the claim directly to Us.

2. You will be charged or billed by an Out-of-Network Provider for Services rendered by that Provider. If You use an Out-of-Network Provider, You are responsible for all charges.

3. If you obtain services from an Out-of-Network Provider in the event of a true emergency, the Out-of-Network Provider may or may not file a claim for You. If You are charged or receive a bill, You must submit a claim to be considered for benefits. You must submit the claim within 1 year and 90 days from the date the service was received. If You do not submit the claim within 1 year and 90 days, it will not be considered. If it is not reasonably possible to submit the claim within 1 year and 90 days, it will not be invalidated or reduced.

4. A Network Provider may refuse to render a service, or reduce or terminate a service that has been rendered, or require You to pay for what You believe should be a Covered Service. If this occurs:

   a. You may submit a claim to Us to obtain a Coverage decision concerning whether the Plan will Cover that service. For example, if a pharmacy (1) does not provide You with a prescribed medication; or (2) requires You to pay for that prescription, You may submit a claim to the Plan to obtain a Coverage decision about whether it is Covered by the Plan.

   b. You may request a claim form from Our Member service department. We will send You a claim form within 15 days. We may request additional information or documentation if it is reasonably necessary to make a Coverage decision concerning a claim.
C. **Payment**

1. When You receive Covered Services from a Network Provider, We pay the Network Provider directly. These payments are made according to the Plan’s agreement with that Network Provider. You authorize assignment of benefits to that Network Provider.

2. If You received Covered Services from an Out-of-Network Provider, You are responsible for the full payment of the Out-of-Network Provider’s charge.

3. We will pay benefits within 30 days after we receive a claim form that is complete. Claims are processed in accordance with current industry standards, and based on Our information at the time We receive the claim form.

4. When a claim is paid or denied, in whole or part, You will receive an Explanation of Benefits (EOB). This will describe how much was paid to the Provider, and also let You know if You owe an additional amount to that Provider. The EOB will show the status of Your benefit limits. For example, it will show how much of Your annual benefit remains, or how many visits remain. The Plan will send the EOB to the last address on file for You.

5. You are responsible for paying any applicable Copayment amount to the Provider. Payment for Covered Services is more fully described in Attachment C: Schedule of Benefits.

D. **Complete Information**

Whenever You need to file a claim Yourself, We can process it for You more efficiently if You complete a claim form. This will ensure that You provide all the information needed. Most Providers will have claim forms or You can request them from Us by calling Our Member service department at the number listed on Your membership ID card.

Mail all claim forms to:

MEDICAL POLICY AND MEDICAL MANAGEMENT

A. **Introduction**

Our health care services department performs various medical management functions that affect Your Coverage. Such services include Prior Authorization of certain services, concurrent review of hospitalization, discharge planning, lifestyle and health counseling, care coordination, and catastrophic medical case management. The Plan does not make medical treatment decisions under any circumstances. You may always elect to receive services that do not comply with the Plan’s medical management requirements, but such an election may affect the Coverage of such services.

B. **Medical Policy**

Medical Policy looks at the value of new and current medical science. Its goal is to make sure that Covered Services have proven medical value. These services must be able to improve the health of our Members.

Medical policies are based on an evidence-based research process that seeks to determine the scientific merit of a particular medical technology. Determinations with respect to technologies are made using technology evaluation criteria. “Technologies” means devices, procedures, medications and other emerging medical technologies.

Medical Policies state whether or not a technology is Medically Necessary, Investigational or cosmetic. As technologies change and improve, and as Members’ needs change, We may reevaluate and change Medical Policies. It is Our right to change or modify those policies without notice to Members.

Medical Policies sometimes define certain terms. If the definition of a term defined in a Medical Policy is different from a definition in this MH, Medical Policy controls. Our Medical Policy is on Our website (www.BCBST.com).

C. **Lifestyle & Health Counseling**

Lifestyle & health counseling is a self-directed program that includes: (1) condition-specific educational materials; (2) an on-line resource for researching health topics; and (3) a toll-free number for obtaining information on more than 1,200 health-related topics. Members are identified as possible candidates for the lifestyle & health counseling program through data that indicates the Member has received services for a low-risk health condition that can be self-managed with educational materials and tools.
D. **Prior Authorization**

Prior Authorization is required for planned hospital stays, certain outpatient surgeries and certain Specialty Pharmacy Products. Call Our Member service department to find out which services require Prior Authorization.

If You received Covered Services from a BlueCard PPO Participating Provider, and that Provider does not comply with medical management programs, You may not be held harmless.

Network Providers in Tennessee are responsible for obtaining Prior Authorization for Covered Services. You will not be penalized for a Network Provider’s failure to obtain a Prior Authorization.
COORDINATION OF BENEFITS

This Plan does not Coordinate Benefits. If You have any other group or individual coverage, this Plan will pay secondary.

SUBROGATION AND RIGHT OF RECOVERY

The State has agreed that the Plan shall be subrogated to and/or have the right to recover amounts paid to provide Covered Services to Members for illnesses or injuries caused by third parties, including the right to recover the reasonable value of services rendered by Network Providers.

The Plan shall have first lien against any payment, judgment or settlement of any kind that a Member receives from or on behalf of such third parties for medical expenses, for the costs of Covered Services and any costs of recovering such amounts from those third parties. The Plan may notify those parties of its lien without notice to or consent from those Members.

The Plan may enforce its rights of subrogation and recovery against, without limitation, any tortfeasors, other responsible third parties or against available insurance coverages, including underinsured or uninsured motorist coverages. Such actions may be based in tort, contract or other cause of action to the fullest extent permitted by law.

The State has agreed that Members shall be required to promptly notify the Plan if they are involved in an incident that gives rise to such rights for subrogation and recovery to enable the Plan to protect its rights under this section. Members are also required to cooperate with the Plan and to execute any documents that the Plan deems necessary to protect its rights under this section.

If a Member settles any claim or action without Our consent against any third party, that Member shall be deemed to have been made whole by the settlement and the Plan shall be entitled to immediately collect the present value of its rights as the first priority claim from the settlement fund. Any such proceeds of settlement or judgment shall be held in trust by the Member for the benefit of the Plan. The Plan shall also be entitled to recover reasonable attorneys’ fees incurred in collecting proceeds held by the Member in such circumstances.
GRIEVANCE PROCEDURE

I. INTRODUCTION

Our Grievance procedure (the “Procedure”) is intended to provide a fair, quick and inexpensive method of resolving any and all Disputes with the Plan. Such Disputes include: any matters that cause You to be dissatisfied with any aspect of Your relationship with the Plan; any Adverse Benefit Determination concerning a Claim; or any other claim, controversy, or potential cause of action You may have against the Plan. Please contact the Member service department at the number listed on Your membership ID card: (1) to file a Claim; (2) if You have any questions about this MH or other documents that You receive from Us (e.g. an explanation of benefits); or (3) to initiate a Grievance concerning a Dispute.

1. This Procedure is the exclusive method of resolving any Dispute. Exemplary or punitive damages are not available in any Grievance, arbitration, or litigation action, pursuant to the terms of the Contract and this MH. Any decision to award damages must be based upon the terms of the Contract and this MH.

2. The Procedure can only resolve Disputes that are subject to Our control.

3. You cannot use this Procedure to resolve a claim that a Provider was negligent. Network Providers are independent contractors. They are solely responsible for making treatment decisions in consultation with their patients. You may contact the Plan, however, to complain about any matter related to the quality or availability of services, or any other aspect of Your relationship with Providers.

4. This Procedure incorporates the definitions of: (1) Adverse Benefit Determination; (2) urgent care; and (3) pre-service and post-service claims (“Claims”), which are in the "CLAIMS AND CLAIM PAYMENT” section.

An Adverse Benefit Determination is any denial, reduction, termination or failure to provide or make payment for what You believe should be a Covered Service.

a. If a Provider does not render a service, or reduces or terminates a service that has been rendered, or requires You to pay for what You believe should be a Covered Service, You may submit a Claim to the Plan to obtain a determination concerning whether the Plan will cover that service. As an example, if a pharmacy does not provide You with a prescribed medication or requires You to pay for that prescription, You may submit a Claim to the Plan to obtain a determination about whether it is Covered by the Plan. Providers may be required to hold You harmless for the cost of services in some circumstances.

b. Providers may also appeal an Adverse Benefit Determination through the Plan's Provider dispute resolution procedure.

c. A Plan determination will not be an Adverse Benefit Determination if: (1) a Provider is required to hold You harmless for the cost of services rendered; or (2) until the Plan has rendered a final Adverse Benefit Determination in a matter being appealed through the Provider dispute resolution procedure.

5. You may request a form from the Plan to authorize another person to act on Your behalf concerning a Dispute.

6. The Plan and You may agree to skip one or more of the steps of this Procedure if it will not help to resolve Our Dispute.

7. Any Dispute will be resolved in accordance with applicable Tennessee or Federal laws and regulations, the Contract and this MH.
II. DESCRIPTION OF THE REVIEW PROCEDURES

A. Inquiry

An Inquiry is an informal process that may answer questions or resolve a potential Dispute. You should contact a Member service representative if You have any questions about how to file a Claim or to attempt to resolve any Dispute. Making an Inquiry does not stop the time period for filing a Claim or beginning a Dispute. You do not have to make an Inquiry before filing a Grievance.

B. Grievance

You must submit a written request asking the Plan to reconsider an Adverse Benefit Determination, or take a requested action to resolve another type of Dispute (Your "Grievance"). You must begin the Dispute process within 180 days from the date We issue notice of an Adverse Benefit Determination from the Plan or from the date of the event that is otherwise causing You to be dissatisfied with the Plan. If You do not initiate a Grievance within 180 days of when We issue an Adverse Benefit Determination, You may give up the right to take any action related to that Dispute.

Contact the Member service department at the number listed on Your membership ID card for assistance in preparing and submitting Your Grievance. They can provide You with the appropriate form to use in submitting a Grievance. This is the first level Grievance procedure. The Plan will assign a Grievance coordinator to assist You throughout the Grievance process. That Grievance coordinator will not make determinations concerning Your Dispute.

1. Grievance Hearing

After the Plan has received and reviewed Your Grievance, Our first level Grievance committee will meet to consider Your Grievance and any additional information that You or others submit concerning that Grievance. In Grievances concerning urgent care or pre-service Claims, the Plan will appoint one or more qualified reviewer(s) to consider such Grievances. Individuals involved in making prior determinations concerning Your Dispute are not eligible to be voting members of the first level Grievance committee or reviewers. The committee or reviewers have full discretionary authority to make eligibility, benefit and/or claim determinations, pursuant to the Contract.

2. Written Decision

The committee or reviewers will consider the information presented, and the chairperson will send You a written decision concerning Your Grievance as follows:

(a) For a pre-service claim, within 30 days of receipt of Your request for review;
(b) For a post-service claim, within 60 days of receipt of Your request for review; and
(c) For a pre-service, urgent care claim, within 72 hours of receipt of Your request for review.

The decision of the committee will be sent to You in writing and will contain:

(a) A statement of the committee’s understanding of Your Grievance;
(b) The basis of the committee’s decision; and
(c) Reference to the documentation or information upon which the committee based its decision. The Plan will send You a copy of such documentation or information, without charge, upon written request.
C. **Second Level Grievance Procedure**

If You are not satisfied, You may file a written request for reconsideration within ninety (90) days after We issue the first level Grievance committee’s decision. This is called a second level Grievance. The Plan’s Member service department will explain how to begin a second level Grievance.

The Plan may require You to exhaust each step of this Procedure in any Dispute.

Your decision concerning whether to file a second level Grievance has no effect on Your rights to any other benefits under the Plan. Any person involved in making a decision concerning Your Dispute (e.g. a first level committee member) will not be a voting member of the second level Grievance committee.

1. **Grievance Hearing**

You may request an in-person, video or telephonic hearing before the second level Grievance committee. You may also request that the second level Grievance committee reconsider the decision of the first level committee, even if You do not want to participate in a hearing concerning Your Grievance. If You wish to participate, Our representatives will promptly contact You to explain the hearing process and schedule the time, date and place for that hearing.

In either case, the second level committee will meet and consider all relevant information presented about Your Grievance, including:

(a) Any new, relevant information that You submit for consideration; and

(b) Information presented during the hearing. Second level Grievance committee members and You will be permitted to question each other and any witnesses during the hearing. You will also be permitted to make a closing statement to the committee at the end of the hearing.

(c) If You wish to bring a personal representative with You to the hearing, You must notify Us at least 5 days in advance and provide the name, address and telephone number of Your personal representative.

2. **Written Decision**

After the hearing, the second level committee will meet in closed session to make a decision concerning Your Grievance. That decision will be sent to You in writing. The written decision will contain:

(a) A statement of the second level committee’s understanding of Your Grievance;

(b) The basis of the second level committee’s decision; and

(c) Reference to the documentation or information upon which the second level committee based its decision. Upon written request, We will send You a copy of any such documentation or information, without charge.

D. **Independent Review of Medical Necessity Determinations**

If still not satisfied, and Your Grievance involves a Medical Necessity determination, You may request that the Dispute be submitted to a neutral third party, selected by the Plan, to independently review and resolve such Disputes. Any person involved in making a decision concerning Your Dispute will not be a voting member of the independent review panel or committee.

You must file a written request that the Dispute be submitted for independent review within ninety (90) days from the date that We issue the second level committee's decision.
Your decision concerning whether to request independent review has no effect on Your rights to any other benefits under the Plan. You will be required to pay fifty dollars ($50) of the cost of the review organization's fee in Disputes. In either type of action, You will be responsible for any other costs that You incur to participate in the independent review process, including attorney’s fees.

The Plan will submit the necessary information to the independent review entity within five (5) business days after receiving Your request for review. The Plan will provide copies of non-privileged information to You, upon request. The reviewer may also request additional medical information from You within five (5) days after receiving the information from the Plan. You must submit any requested information, or explain why that information is not being submitted, within five (5) business days after receiving that request from the reviewer.

The reviewer must submit a written determination to the Plan and You within thirty (30) days after receipt of the independent review request. In the case of a life threatening condition, the decision must be issued within five (5) days after receiving the review request. The reviewer may request an extension of up to five (5) business days to issue a determination to consider additional information submitted by the Plan or You.

The reviewer’s decision must state the reasons for the determination based upon: (1) the terms of this MH and the Contract; (2) Your medical condition; and (3) information submitted to the reviewer. The reviewer’s decision may not expand the terms of Coverage of the Contract.

E. **Voluntary Arbitration**

If still not satisfied, You may request voluntary arbitration to resolve the Dispute. That arbitration request must be submitted, in writing, to the Plan’s General Counsel within ninety (90) days after the independent reviewer's decision is issued.

A Dispute will be submitted to arbitration in accordance with applicable rules of the American Arbitration Association. Alternatively, the parties may agree to some other dispute resolution procedure or agency.

Your decision concerning whether to request arbitration will have no effect on Your rights to any other benefits under the Plan. Any person involved in making a decision concerning Your Dispute will not be permitted to serve as an arbitrator.

You will be required to pay one-half of the arbitration agency's and arbitrator's fee in Disputes. In either type of action, You will be responsible for any other costs that You incur to participate in the arbitration process, including attorney's fees.

The arbitrator(s) shall be required to issue a reasoned written decision explaining the basis of that decision, and the manner of calculating any award. The arbitrator's decision is final and may be entered and enforced in any state or federal court. That decision may only be vacated, modified or corrected for the reasons set forth in section 10 or 11 of the United States Arbitration Act (i.e., if the award contains material errors of law or is arbitrary and capricious).

No action at law or in equity shall be brought to recover on this MH until 60 days after written proof of loss has been furnished as required by this MH. No such action shall be brought beyond 3 years after the time written proof of loss is required to be furnished.

Any period of time You had to wait to be eligible under an employer’s plan is not considered an interruption of coverage.

You have the right to demonstrate the amount of Creditable Coverage You have, including any waiting periods that were applied before You became eligible for Coverage. For any period after July 1, 1996, You can ask a plan sponsor, health insurer or HMO to provide You with a “certification form” documenting the periods during which You had health benefit coverage. If You are having trouble obtaining documentation of Your prior Creditable Coverage, You may contact the CoverTN Plan for assistance in obtaining documentation of prior Creditable Coverage from any prior plan or issuer.
ATTACHMENT A:
COVERED SERVICES AND LIMITATIONS ON COVERED SERVICES

The Plan will pay the Maximum Allowable Charge for Medically Necessary and Appropriate services and supplies described below and provided in accordance with the reimbursement schedules set forth in Attachment C: Schedule of Benefits of this MH, which is incorporated herein by reference. Charges in excess of the reimbursement rates set forth in the Schedule of Benefits are not eligible for reimbursement or payment.

To be eligible for reimbursement or payment, all services or supplies must be provided in accordance with the Plan’s Medical Policies and procedures. (See Medical Management Section.)

Covered Services and Limitations set forth in this Attachment are arranged according to:

- Eligible Providers, and
- Eligible services.

An advantage of using PPO Network Providers is these Providers have agreed to accept the Maximum Allowable Charge set by the Plan for Covered Services. Maximum Allowable Charge is what the Plan has agreed, by a contract, to pay these Providers for Covered Services. (See the Definitions section for an explanation of Maximum Allowable Charge and Covered Services.) Network Providers have also agreed not to bill You for amounts above these Maximum Allowable Charges.

If you need help finding a provider and/or scheduling an appointment, please call: 1-888-887-3224.

Out-of-Network Providers do not have a contract with the Plan. This means they will be able to charge You more than the amount set by the Plan in its contracts. With Out-of-Network Providers, You may be responsible for the full amount that You are charged.

Obtaining services not listed in this Attachment or not in accordance with the Plan’s Medical Management Policies and Procedures may result in the denial of payment. Obtaining Prior Authorization is not a guarantee of Coverage. All provisions of the MH must be satisfied before Coverage for services will be rendered. The Plan’s Medical Policies can help Your Provider determine if a proposed service will be Covered.

Covered Services have annual limits. Please refer to Attachment C: Schedule of Benefits for these limits.
