Comprehensive Code	Component Code	Source	Rationale
35572	35860	BCBST	Edited code not allowed if used to report exploration performed at the time of the listed procedure. Edited code may be appropriate for reimbursement if performed at a separate session.
35572	37202	BCBST	The edited code is a component of the listed code if used to report minor anesthesia or infusion services provided as part of the listed procedure or according to surgical package instructions. Similar listed codes with edit disallowed according to NCCI Misuse of Column 2 code with Column 1 code policy, which indicates that a provider should not report a CPT code out of the context for which it was intended. Note, however, that it may be appropriate to reimburse this procedure if it is performed for indicated purposes separately from the comprehensive procedure.
35572	62318	BCBST	This code should not be used to report local, topical or regional anesthetic administered by the physician in the course of performing another procedure. Such anesthesia is considered integral to the performance of the procedure, and this code should not be used to report these services. Note, however, that it may be appropriate to reimburse this procedure if it is performed for indicated purposes separately from the comprehensive procedure; if this code represents a different anatomical region from the primary procedure, it may represent an appropriate service or a miscode. Review records for payment.
35572	62319	BCBST	This code should not be used to report local, topical or regional anesthetic administered by the physician in the course of performing another procedure. Such anesthesia is considered integral to the performance of the procedure, and this code should not be used to report these services. Note, however, that it may be appropriate to reimburse this procedure if it is performed for indicated purposes separately from the comprehensive procedure; if this code represents a different anatomical region from the primary procedure, it may represent an appropriate service or a miscode. Review records for payment.
