New BCBST Secure File Gateway

The new link for the BCBST HTTPS website for trading partners to upload and download files is <u>https://mftweb.bcbst.com/myfilegateway</u>.

Enter your username and password that was given to you by BCBST and click Sign In.

Upload file to BCBST

The first page you go to is the "File Activity" search page. This is where you can search for the activity of a file that you sent to or downloaded from BCBST. But for your first time logging in, you will need to upload or download your files before you can search for any file activity. To upload a file, click on the "Upload Files" tab at the top of the page.

Search Function

When you first login to BCBST Secure File Gateway, you will be directed to the "Search Criteria" page. Here you can run a search on files that you sent to BCBST, failures and successes. When you submit a file to BCBST, you are the producer. In the "Producer" drop down box, select your user id. You can use the additional fields to narrow down your search.

Subscribe to e-mail notifications

With the new BCBST Secure File Gateway, you have the capability to subscribe to e-mail notifications. Click the "Profile" tab at the top right of the page. Under the "Notifications" tab is a listing of available event.

To receive an e-mail notification for all successful and failure file transfers click and drag the following event notifications from the left frame to the right frame:

- FG_0411 ArrivedFileRouted
- FG_0455 ArrivedFileFailed
- FG_0456 RouteFailed
- FG_0457 DeliveryFailed

Advanced help documentation

For more advanced help documents, you can click on the "Help" tab on the top right hand side of the page. This will give you more in-depth documentation on what you can do with the BCBST Secure File Gateway.

Change password

To change your password, click on the "Profile" tab at the top right hand side of the page. Then click on the "Password" tab at the top left hand side. You will need to type you current password once and then your new password twice. Click "Save" when complete.
